Refund Policy

We require payment in full upon registration. You may cancel your registration up to two weeks prior to the course date and receive a full refund, less a \$50 administration fee.

Cancellations made less than two weeks prior to the workshop will not be eligible for refund, unless we have someone on a waiting list who can fill your space, in which case you will receive a full refund, less a \$50 administration fee. **Cancellations made after the course has begun will not be eligible for a refund**, unless we have 10 or more students enrolled in the course, in which case you will receive a partial refund based on the percentage of the course that has been completed, less a \$50 administration fee.

In the unlikely event that a course meeting date is changed due to instructor illness, inclement weather, or other extenuating circumstances, participants are expected to attend the workshop on the re-scheduled date.

In the event that we do not have enough registered participants to meet our minimum-student requirement, we will cancel the course. In the event of such a cancellation, we will issue a full refund to all registered participants.

I have read and accept the above refund policy.
